DURATION

1 day (7 hours)

PRICES

Inter-company training : 820,00 € HT/participant (3 participants minimum)

In-house training: please contact us

TERMS AND CONDITIONS OF ACCESS

INTER: Registration is open until two weeks before the training date.

INTRA: training can be provided one month after acceptance of the quote (for information purposes only).

METHODS USED

The training is based on alternating theoretical input, games, examples and/or practical cases.

Trainees will need to bring a laptop.

A folder is given to participants at the end of the session.

(containing the theoretical principles stated during the training and the exercise materials).

EVALUATION METHODS

Trainees' knowledge acquisition is generally validated by a quiz.

It can also be assessed using other methods (at the trainer's discretion and/or in agreement with the client).

At the end of the training, a certificate is issued based on the results of the assessments.
