## **DURATION**

3 days (21 hours)

## **PRICES**

**Inter-company training:** 2 000,00 € HT/participant (3 participants minimum)

**In-house training:** please contact us

## **TERMS AND CONDITIONS OF ACCESS**

**INTER:** Registration is open until two weeks before the training date.

**INTRA:** training can be provided one month after acceptance of the quote (for information purposes only).

## **METHODS USED**

The training is based on alternating theoretical input, games, examples and/or practical cases.

Trainees will need to bring a laptop.

A folder is given to participants at the end of the session.

*(containing the theoretical principles stated during the training and the exercise materials).*

## **EVALUATION METHODS**

Trainees' knowledge acquisition is generally validated by a quiz.

It can also be assessed using other methods *(at the trainer's discretion and/or in agreement with the client).*

At the end of the training, a certificate is issued based on the results of the assessments.
